

# MORNING FARM REPORT®

The insight to decide.™

## Soil Temp Forecast

**Oct. 30, 2017**

## View Field-Specific Soil Temp Forecasts

# Agribble's Grower AgriBundle®

Soil temperature is affected by many site-specific soil characteristics, localized climatic factors, and cropping history. This temperature map is a county-level aggregate, which is not suitable for individual field decisions and is for illustration purposes only. Receive actionable field-level insights with Morning Farm Report.
